Dear Mrs Manley

I have not received any publicity on your Club as yet. I want to let you know we are playing for Elks at Columbus Aug 17th. I have booked both Clubs for that night at Dayton Ohio. This will be first game I have been able to get in Dayton this year. I will give you \$200.00 Flat for this game or will do like I am doing on other games with your Club. As I explained to Abe at last meeting we are splitting after expenses. Balls - porters - umpires & promoter. In some instances we give promoter 10% of net. This is top price some do not get that much. We will have to leave Columbus in our uniforms but it will be worth while.
